ABBIE SCHOOL CELEBRATES MARTIN LUTHER KING DAY

Jackson Phillips would like to share some facts about Martin Luther King Jr for January's Abbiegator News. Martin Luther King Jr was born on January 15, 1929. His birth name was Michael not Martin. He died on September 20, 1958. He defended people's rights and was a non-violent civil rights activist. Students at Abbie School will be working on a variety of different projects to celebrate the holiday.

Chinese New Year will begin on January 31, 2023. The Chinese Lunar New Year for 2023 will be the year of the rabbit. Those born in the year of the rabbit prefer peace and quiet and will likely avoid arguments and confrontation as much as possible. Rabbit personalities may appear soft and malleable, but they are stubborn on the inside. Students born in the year 2011 and 1999 are the year of the rabbit.

Temps Cool in Winter as Students Warm Up

Students at Abbie School when outside enjoy the playground warming up by playing basketball, running, jumping and swinging on the swings. Jackson Phillips also recommends a cup of hot cocoa as a way to stay warm.

WINTER HOLIDAY PROGRAM A SUCCESS!

Abbie School celebrated the winter holidays in song as students enjoyed performing holiday favorites at the winter concert. The concert was well attended by family and friends with a special guest appearance by favorites of the season!

DEAR ABBIE

Dear Abbie,

I have been told that I have a loud voice and that I need to speak in a softer tone. How do I go about doing this?

Dear Loud Voice,

One of the things that you can do is use your inner voice to speak in a softer tone. Try to be aware of others around you and their sensitivity to noise.

Sincerely, Abbie

SPOTLIGHT ON STAFF

The spotlight this month is on Ms. Beverly, Abbie School's physical education teacher. She encourages students to exercise and her classes give students a chance to warm up and participate in physical activities such as sharks and minnows, tossing games, and stretching and running activities. Students also enjoy using the sensory room with her once a week. Thank you, Ms. Beverly for your energy and enthusiasm making PE a fun class for all.
