DEAR ABBIE

Dear Abbie,

It is allergy season with Spring in the air. Students are sniffing and sneezing around me and I hate germs. What should I do?

Sincerely, Mr. Not So Sneezzy

Dear Not So Sneezzy,

Maybe you could suggest that your friends either wear a mask or cover their nose with their elbow when they sneeze. Also make sure the teacher has hand sanitizer available in her class. Spring does bring on allergies but on the bright side, lots of beautiful flowers are now in bloom.

Sincerely, Abbie

CHICKEN SCOOP

Baby Goats are on campus and students have been enjoying a visit from them here at Abbie School. Ms. Anna's science class hosted 5 baby goats for the students to hold and enjoy. Several of the baby chickens also came for a visit and are growing with all of Ms. Anna's special care.

WORD OF THE MONTH: GRACIOUS

The word of the month is "Gracious". The word gracious is an adjective that means to be kind, courteous and compassionate, to show charm, warmth and elegance. The Abbiegator news staff challenges students at Abbie School to show how gracious they can be to other Abbie students during the month of March.

SPOTLIGHT ON STAFF

The spotlight this month is on Mr. Juan Nelson, the high school PE teacher and coach for the school's Special Olympic teams. Mr. Juan is always upbeat and energetic encouraging students in high school PE and when training for each season of the Special Olympics. This year he has coached the high school soccer team to win a gold medal and the high school basketball team to also take the gold. A huge thank you to Mr. Juan for his dedication, commitment to the students and great Abbie school spirit.
